Agency Overview and Organization

The Office of Banking and Financial Institutions mandates that all financial institutions operating in the District and all banks and bank holding companies seeking entry into the District provide financial services to the public in a manner that fosters the development and revitalization of housing and commercial corridors in underserved neighborhoods. Also, the Office assures that those institutions help to meet the credit and deposit services needed by low income and minority residents, and expand the financial and technical support for local, small, and disadvantaged businesses.

FY 2001 Proposed Operating Budget

The Office of Banking and Financial Institutions Operating Budget is composed of two categories: (1) Personal Services (PS), and (2) Nonpersonal Services (NPS).

Within the PS budget category are several object classes of expenditure such as regular pay, other pay, additional gross pay, and fringe benefits. Within the NPS budget category are several object classes of expenditure such as supplies and materials, utilities, communications, rent, other services and charges, contractual services, subsidies and transfers, equipment and equipment rental, and debt service.

Authorized spending levels present the dollars and related full-time equivalents (FTE) by revenue type. The Office of Banking and Financial Institutions revenue type is Other sources (fees, fines, etc).
